

Power Supply

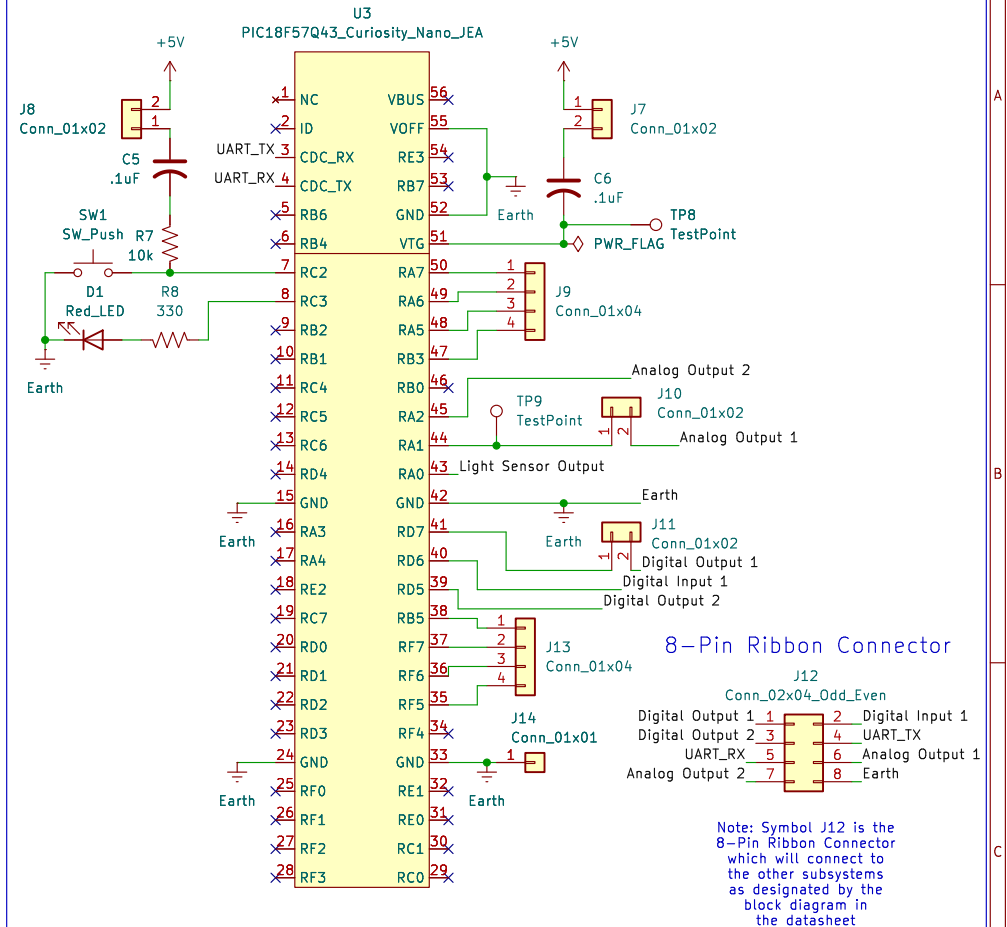

Symbols: J2, J3 are header pins to be used for debugging, jumping, and separating sections of the schematic in case errors occur.

Wheatstone Bridge Light Sensor

Symbols: J4, J5, J6 are header pins to be used for debugging, jumping, and separating sections of the schematic in case errors occur.

Microcontroller

Symbols: J7, J8, J9, J11, J13, J14 are header pins to be used for debugging, jumping, and separating sections of the schematic in case errors occur.

Team 201: Light Sensor Subsystem
